Report on ND Tests Conducted at Noonmati Public School, Noonmati, Guwahati.

The following Non-Destructive Tests were carried out on 10/05/2023 at certain locations of the School Building and Administrative Building of Noonmati Public School, Noonmati

1. Rebound hammer test to evaluate the strength of concrete.
2. Ultrasonic Pulse Velocity test to evaluate the internal strength of concrete and its quality.

Visual inspection:

In visual inspection of the school building (G+3) seems to be in good condition and no cracks in any structural member are seen at any location. The Administrative Building is also found in good condition

Non Destructive Test :

The non-destructive test results on the school building and administrative block are found satisfactory. The test results are shown at Annexure-I.
